

When you go to the Network for Good website (by clicking on the Network for Good button on our website) you will be asked for the following information:

**Donation Preferences** - You can make a selection here to make a one time contribution or to set up a periodic donation to the Church.

**Please share with this charity** - Here you can decide whether you want your name included with your contribution or whether you want to make your gift anonymously. **Please note: If you want your contribution to be counted towards your pledge, please make certain to include your contact information with the donation.**

Now you click on the **Add to Giving Cart** button on the bottom of the page. As Network for Good handles contributions for many non profit organizations, this page would contain all of the contributions you may have elected to make to other non-profit organizations.

Now click on **Proceed to Checkout**.

Contributions made through Network for Good can be charged to a PayPal account, or to your American Express, Visa, Mastercard or Discover card.

Network for Good charges a 4.75% handling fee. You have a choice: this fee may either be added to your contribution at checkout time, or you can let Network for Good deduct their fee from the amount the Church receives.
